This letter confirms that Acheta Consulting Ltd's independent technical inspection services comply with the relevant requirements detailed within the Marks and Spencer Code of Practice and Guidelines for Pest Prevention, Version 3, February 2016.

It should be noted that Acheta does not undertake any of the in-house or contracted-out pest control work at any site; only contracted technical (field biologist) inspection services are provided.

A handwritten signature in blue ink, appearing to read "J. Simmons", with a long horizontal flourish extending to the right.
